Agency Acronym: DOA

Agency Number: 505

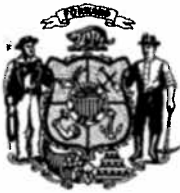

Priority: Medium

Intent:

Create a program revenue annual appropriation under the Office of Justice Assistance related to the state-wide interoperable communications system.

Currently, the appropriation s. 20.505(6)(ka) collects fees from state public safety agencies. The new appropriation would collect revenues from any other entity interested in using the interoperable communications system. This could include local governments, private businesses, hospitals, etc. Similar to 6(ka), the revenues would also be used to operate the system.

**STATE GOVERNMENT**

**OTHER STATE GOVERNMENT**

Under current law, the Office of Justice Assistance (OJA) oversees the operation of a statewide public safety interoperable communication system, which is a system designed to allow public safety agencies to communicate with each other and with other pertinent entities as needed. OJA currently may charge a state public safety agency a fee for using the system, and the fees are used for operating the system. Under this bill, OJA may charge other entities that are not state agencies a fee for using the system, and the fees are used for operating the system.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
